My original intention for writing these letters was to have a documentation of my thoughts for my 3 biological daughters. So that in case, I finish my assignment here on earth and God calls me home, they will have something to fall back on as my words and ideals...

It has taken a long time to put this together
but, before I completed it,

I had a leading in my spirit
to make it a public document so that my spiritual, adopted and other daughters around the world can benefit from this also.
So, between 1st June and 31st July 2017, I posted this letter daily on the social media. Many testimonies came in to prove to me that God is in it indeed With my bended knees and prayers
to God for

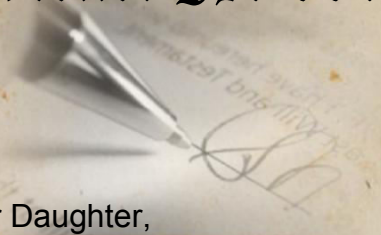

you, I present to you words from my heart...

Letter to my daughter. Trusting God
that these words will help you live a glorious life.

I love you Daughter...

Letter No 001

Dear Daughter,

My eyes are full of tears as I
write this.

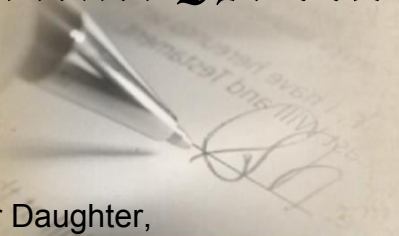

I labour and pray for you that you will do
much more for God and the expansion of
His kingdom than what I am doing..

This is the legacy I wish to leave.

Love from Dad.

Letter No 002

Dear Daughter,

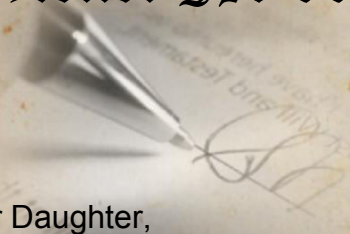

If I look through your phone pictures,
videos, text messages and social media,
will I be disappointed?

Do in time what you will not be
ashamed of in eternity.

Love from Dad.

Letter No 003

Dear Daughter,

As a father, when I discipline you
I feel the pain myself. intense pain.
sometime with tears you cannot see, but I
have to insist for you to be the best God
has created you to be.

Love from Dad.

Letter No 004

Dear Daughter,

If today happens to be our last day on earth, will you make it to heaven? Please live ready. There is no repentance in the grave.

Love from Dad.

Letter No 005

Dear Daughter,

Do not let fashion be your No 1 priority in life.

Fashion will always change and eventually fade away. Choose God above everything.

Live for Him and manifest Him in all that you do.

Love from Dad.

Letter No 006

Dear Daughter,

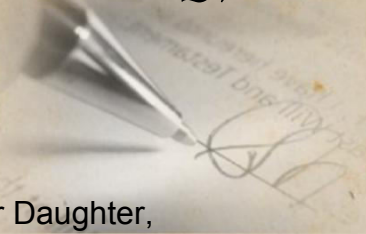

When strangers look through your social media, what do they see?

If you belong to Jesus, showcase Him in your social media also.

Love from Dad.

Letter No 007

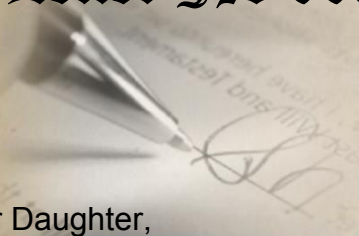

Dear Daughter,

I started preaching this gospel before you were born. Do not take this ministry of reconciliation away from my hand by your lifestyle. Please, compliment it..

Love from Dad.

Letter No 008

Dear Daughter,

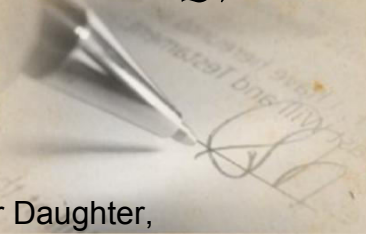

When I was your age, I had no access to a mobile phone. Yet, I did not die. Do not let your mobile phone be your slave master..

If you can't be disciplined with your phone, I am afraid, you will fall before mere temptations.

Love from Dad.

Letter No 009

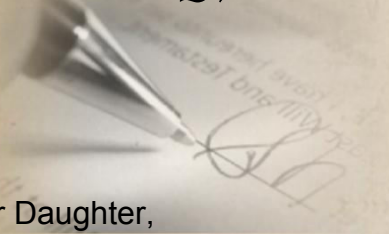

Dear Daughter,

I read in the newspaper the other day how an undergraduate was charmed and eventually used for ritual. I wept. You can't be full of Jesus on the inside and Satan's charm will work on you! In Him you live!

Love from Dad.

Letter No 010

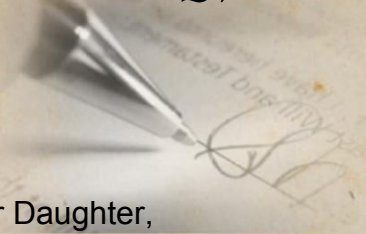

Dear Daughter,

Your generation is under a hellish
siege of acute sexual immorality.
Don't be trapped in the crossfire!
Stand out. Keep your self pure. Pray
not to be a prey. Pray and watch also.

Love from Dad.

Letter No 011

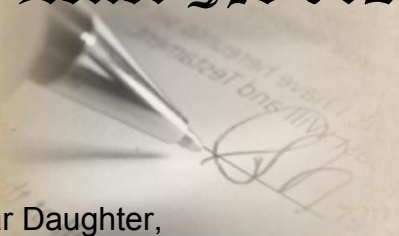

Dear Daughter,

The reason for dressing is to cover your nakedness. Fashion is secondary. If you make fashion the primary focus in dressing, you will not dress well.

Love from Dad.

Letter No 012

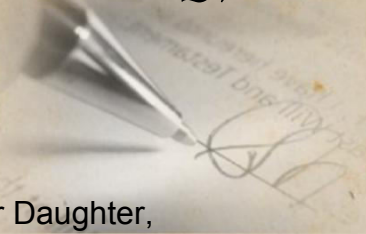

Dear Daughter,

The social media is a 'world'.
Take your place for Jesus there!
Please, don't use it for vanity.
Be purposeful in using it for God is
watching...

Love from Dad.

Letter No 013

Dear Daughter,

Don't be casual in your approach to life, you are here on purpose. You can't be here twice.

God demands an account at the end of your stay in this world. Remember, all things will surely come to an end.

Love from Dad.

Letter No 014

Dear Daughter,

Be mindful of the pictures and write-ups you place on your social media. Your DP means a lot.... Don't just post anything.

You should be able to justify your postings with eternity in view...

Love from Dad.

Letter No 015

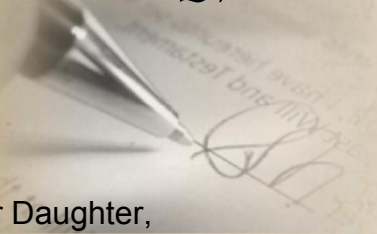

Dear Daughter,

If your prayer life is not solid; If your fellowship with God is lagging.; then, be rest assured, sin is inevitable! Be fired up now. The world is evil.

Love from Dad.

Letter No 016

Dear Daughter,

If your life's purpose is not yet well defined and your vision is still blurry, you have nothing to do with relationship.

It may burn your hands and place in your heart putrefying sores.

Love from Dad.

Letter No 017

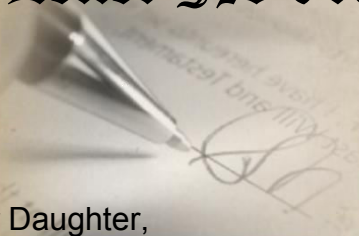

Dear Daughter,

Never make friends with those who do not share your values and virtues. With such, don't even go an inch! They will ruin your destiny.

Love from Dad.

Letter No 018

Dear Daughter,

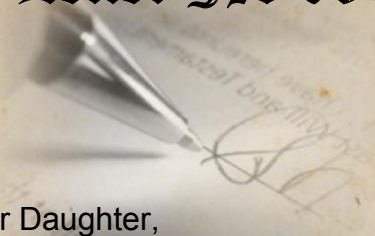

God placed in you a conscience so tender and sensitive. Sin disturbs and weakens it.

If you continue in sin, the conscience will eventually die and you will dance to the drum beat of demons. Have nothing to do with sin.

Love from Dad.

Letter No 019

Dear Daughter,

Your worth to me is more than a
hundred sons.

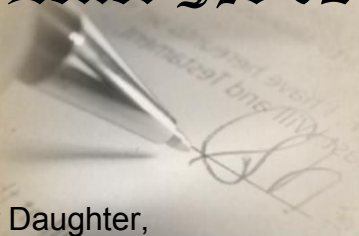

The devils are after you to make me sad
and to keep me sad..

Rise daily above temptations thrown into
your life and let me rejoice over thee.

Love from Dad.

Letter No 020

Dear Daughter,

My greatest achievement will be to see you do more than I am doing to build the kingdom of God.

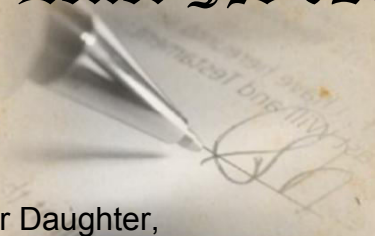

If you turn against God by the life you live, then shall you make me go to my grave a sad soul who lived for nothing.

Please, live for God.

Love from Dad.

Letter No 021

Dear Daughter,

Not a few predators lurks around you;
Waiting for your unguided hour.

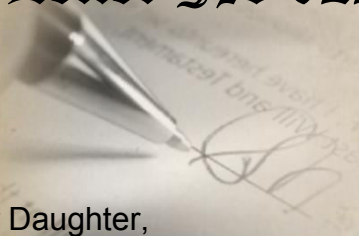

Watch and pray.

After you have prayed, pray more.

Love from Dad.

Letter No 022

Dear Daughter,

You must not allow the future to meet you unprepared.

Start living for your future now. Whatever will place a dent in God's purpose for your life, run from it as fast as your legs can carry you.

Love from Dad.

Letter No 023

Dear Daughter,

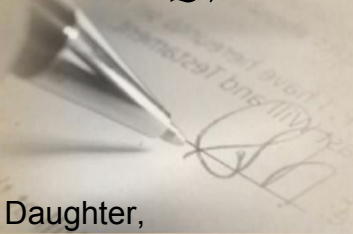

Do not allow any man to deal with your emotions. Don't give your heart to him who is not sold out to Jesus nor respects your purity stand.

If you do, it's just a question of time. He will paint your garment with the colour of swine.

Love from Dad.

Letter No 024

Dear Daughter,

When it comes to sexuality, don't overrate yourself.

I have been there and have been hurt in the past.

Obey simple instructions from the Holy Writ..

Flee!

I say flee! Your future is precious.

Love from Dad.

Letter No 025

Dear Daughter,

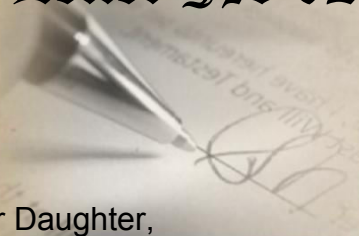

Know this- if you keep it a secret, then,
something is likely wrong with it.

There is a place for experience and
fatherhood. Learn from me. I am God's
priest sent to you.

Love from Dad.

Letter No 026

Dear Daughter,

I have an idea of how young men feel. Don't allow any to have access to your body as to a common commodity. Your body is tender and attractive. They want it at all cost.

But remember, that same body is the temple of the Holy Spirit. You must keep it in purity.

Love from Dad.

Letter No 027

Dear Daughter,

Remember, you have never been a man before. I am a man. I have an idea of the body chemistry of a man.

The libido of an average young man is 'red hot' If you give him an inch, he will go a mile. If you give him your lips, he will want your breasts. Yes, that is who we are...Men.

Please, be careful.

Love from Dad.

Letter No 028

Dear Daughter,

There are men. Useless men. Old enough to be your dad that may come your way.

Be prepared to tackle their antics. Don't let them meet you unawares. Be prayerful for they are wiser than you are. You need God, self will and a measure of doggedness to keep them away. They are

beasts in trousers! Love from Dad.

Letter No 029

Dear Daughter,

If by an act of carelessness, you fall into sin, I will be disappointed.

but, I have vowed to love you forever and help you stand again.

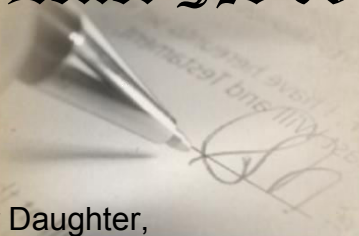

Whatever touches you, touches me.

In His grace, work and war against sin!

Love from Dad.

Letter No 030

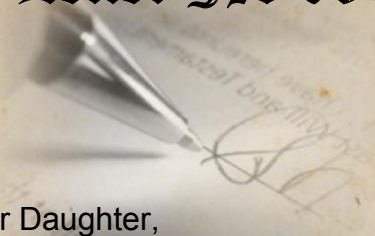

Dear Daughter,

Do not start a journey you do not want
to continue and finish.

Love from Dad.

Letter No 031

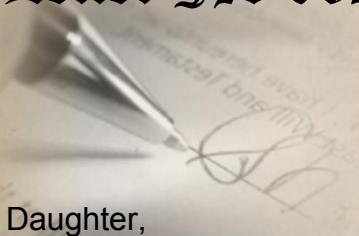

Dear Daughter,

Any man that encourages you to dishonor your dad and despise your mum does not mean well for you. Run from such.

Love from Dad.

Letter No 032

Dear Daughter,

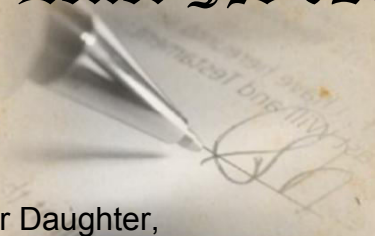

Even in right and godly relationships, temptations are real and intense. How much more in an ungodly relationship?

It is like a rattle snake under the pillow.
You are not meant just for anybody.
Seek God. Seek His face.
He still leads His children.

Love from Dad.

Letter No 033

Dear Daughter,

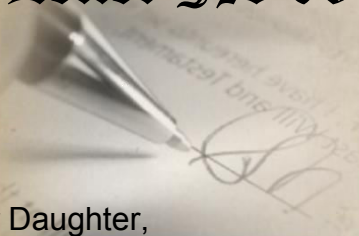

Use your phone wisely. The rule is simple. Whatever offends God must not be found there.

Make that your rule and you will have peace.

Love from Dad.

Letter No 034

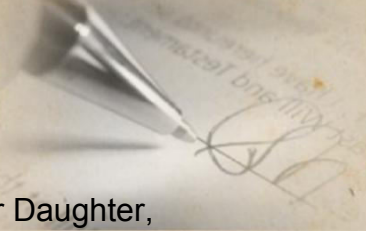

Dear Daughter,

The world we live in is so filthy. For you to live pure, you need God on a daily basis.

Love from Dad.

Letter No 035

Dear Daughter,

You have been called unto honour.

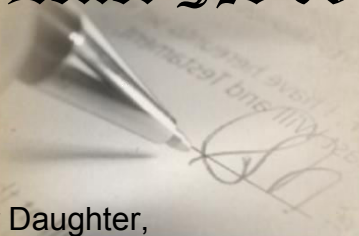

So, live honourably.

You have one body, protect it for in
you God dwells.

Love from Dad.

Letter No 036

Dear Daughter,

If you make a mistake in life, no matter what it is, don't stay in the mess. Pick up yourself. Rise up and go back to the cross. Yes, back to Jesus. If your heart be contrite and your spirit broken, He will hear, forgive, heal and restore.

Love from Dad.

Letter No 037

Dear Daughter,

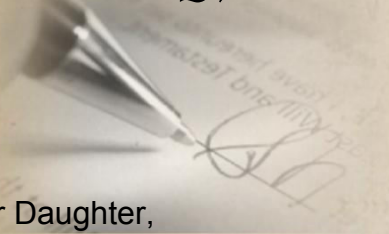

Remember, your Dad is a preacher of the gospel.

Any man to whom you allow unholy access to your body will despise the ministry and calling of your father. Sad but true. Never allow this.

Love from Dad.

Letter No 038

Dear Daughter,

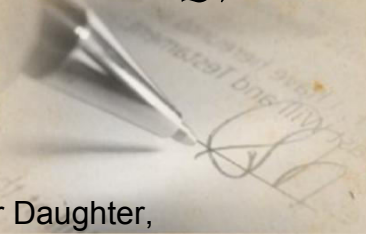

God still speaks. Before you start a relationship with any man, seek clearance and approval from God. God knows the heart of men. you don't.

Don't also forget to get me involved.

Love from Dad.

Letter No 039

Dear Daughter,

Faithful men are rare.

They don't lead girls to bed before marriage.

They don't toil with your emotions and take advantage of you.

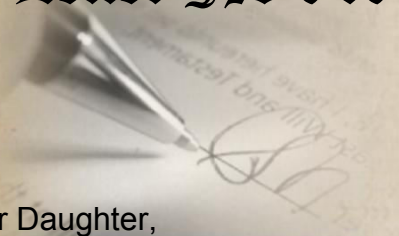

They respect your values and love God passionately.

I have prayed for this kind of husband for you. Will you wait for him?

Love from Dad.

Letter No 040

Dear Daughter,

If he keeps mounting pressure on you to be his girlfriend, have you mounted pressure on him to give his life to Jesus and stop sinning?

But why won't you preach the gospel?

Above that, live the gospel.

Love from Dad.

Letter No 041

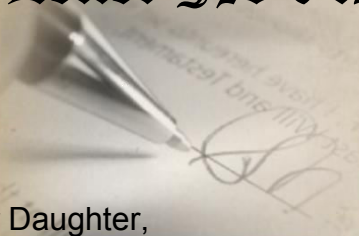

Dear Daughter,

Why will you set aside all the kingdom investment into your life and soul because of one strange love? Sinning with him is a 'proof' that your God is not worth believing. It is a shame. Please, don't do it.

Love from Dad.

Letter No 042

Dear Daughter,

When your life's purpose is not yet discovered, defined and written, I counsel you not to go into any relationship.

it is difficult to choose right if you do not know the reason God sent you here.

Love from Dad.

Letter No 043

Dear Daughter,

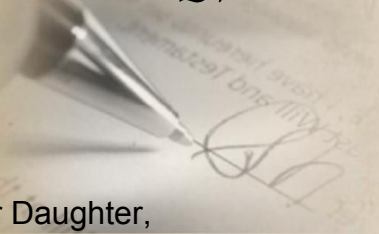

If Jesus truly lives in you and your body is the temple of the Holy Spirit, there is no way you will not feel worthless if you allow a man have access to your body.

Kissing your lips? Touching your breasts?
No! Don't let it ever happen. Stay purified.

Love from Dad.

Letter No 044

Dear Daughter,

Before you do that stuff, ask yourself will my Dad be glad with this?

Will it be beneficial to my destiny?

Will God be pleased with this?

These three questions will always help you in difficult moments.

Love from Dad.

Letter No 045

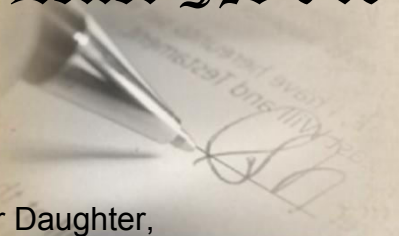

Dear Daughter,

Remember you are a major stakeholder in my call and ministry. If you mess up, you may succeed in destroying that which was given by God even before you were born. Of what benefit is that to you?

Love from Dad.

Letter No 046

Dear Daughter,

See, you are but a tender sheep in the
midst of wolves.

Even if a wolf shows you affection, it is
because it is interested in your 'meat'

Be as wise as a serpent but gentle
as a dove....

Let the wisdom of God guide you.

Love from Dad.

Letter No 047

Dear Daughter,

God has graciously made you the gate keeper to your heart and life.

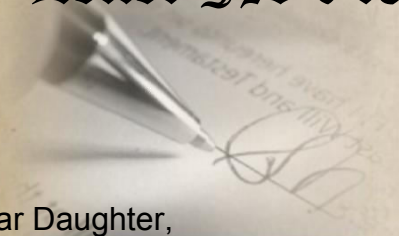

No man can have access except and until you allow him.

The responsibility to be sexually pure is yours.

Love from Dad.

Letter No 048

Dear Daughter,

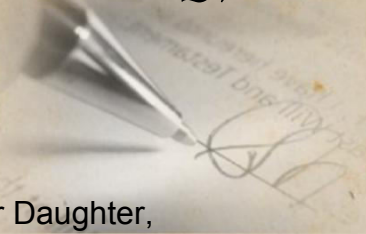

I am yet to see what can waste a life more than a godless relationship. Don't do it.

You are precious and special to God and me.

Love from Dad.

Letter No 049

Dear Daughter,

I tell you the truth and I lie not.

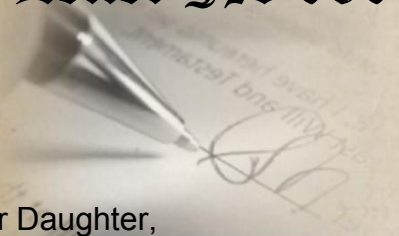

Relationships can drain and sap one of emotions.

This is certainly not an area you should venture into if you are not prepared.

Love from Dad.

Letter No 050

Dear Daughter,

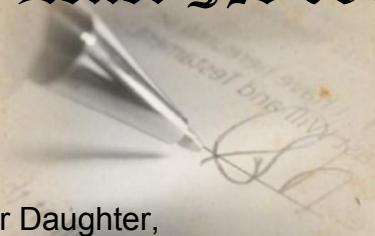

If any man tells you to hide your relationship status from your dad and mum, I guess that is the wrong man. Be careful of him.

Certainly, he cannot love you more than those who sacrificed their comfort and 'lives' to get you to where you are today.

Love from Dad.

Letter No 051

Dear Daughter,

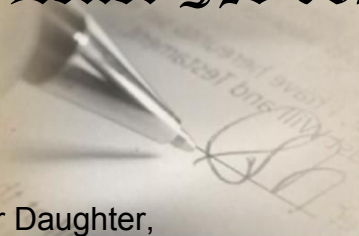

You may think I am over possessive. Yes, you may be right but do not blame me. It is just because you are precious to me and I don't want to see you miss it in life.

When you get married and have a daughter as precious as mine(you) you will understand me then.

Love from Dad.

Letter No 052

Dear Daughter,

The strength of sin is secrecy. Whenever you go wrong or make mistakes for whatever reason, don't cover it up.

Come, let's reason together and pray. I have made mistakes before and have seen the beauty and place of forgiveness.

Love from Dad.

Letter No 053

Dear Daughter,

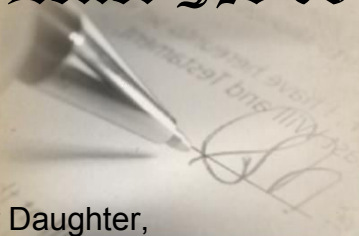

I don't own you. God does. I am only a care taker bound to give account to God of how I guided you.

Please, don't let me be guilty on the day of judgement when I will render an account of my stewardship on earth before Him and the holy angels...

Love from Dad.

Letter No 054

Dear Daughter,

Know this. When we get to heaven, I will not continue in my position as your father. We all shall be sons and daughters of the Most High.

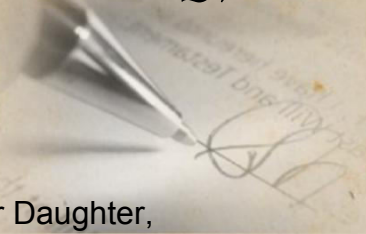

We shall be like our big brother, Jesus Christ.

But now that I am still your father, let's win together the battle of life.

Love from Dad.

Letter No 055

Dear Daughter,

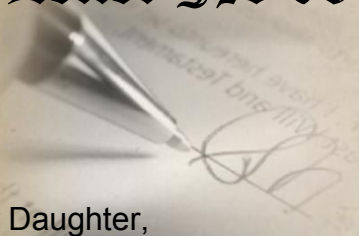

The bible is not just a book. It is a manual for living.

Read it. Meditate on it. Live by it. That it may be well with you in the land of the living.

Love from Dad.

Letter No 056

Dear Daughter,

You will not be under my roof forever. Your days are numbered here One day, I will have to hand you over to another man.

Pray for him..

Pray that he will not just be a husband but another father better than me who will love God passionately and love you unconditionally. Yes, more than I have ever done.

Love from Dad.

Letter No 057

Dear Daughter,

Don't play games with relationship. You cannot just know a man by mere observation.

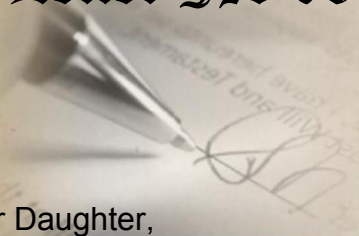

Before you say YES, please speak to the Creator of all men. God still speaks to His children.

Do not be afraid to say NO if you are not convinced by God.

Love from Dad.

Letter No 058

Dear Daughter,

The other day I was at the cemetery to bury a friend.

I wept when my friend was lowered to the grave and covered with sand...

But you see, that's the end of us all. It is what we have done for God that will follow us to eternity.

So, live your life with eternity in view.

Love from Dad.

Letter No 059

Dear Daughter,

Years ago, when I gave my life to Jesus, the RAPTURE and SECOND COMING OF JESUS were common messages everywhere.

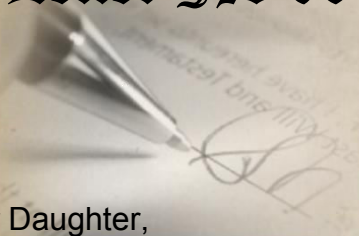

Today, it is amazing that we seldom hear such messages.

However daughter, Jesus will come... He is coming soon. Live ready.

Love from Dad.

Letter No 060

Dear Daughter,

I have laboured in the place of prayers for you that you will succeed in life and make heaven at the end of your stay.

Please pray this prayer for your children and teach them to do the same that none in our lineage will perish in sin. Make it happen. Start the prayer investment now.

Love from Dad.

Letter No 061

Dear Daughter,

For the past sixty days, I have poured out my heart to you. It is my prayer that

God will keep you in His love.

Keep growing in grace.

I love you dearly. Yes, I do.

Love from Dad.
